1100 D. Street  
Utica, NE 68456-6043

We Encourage Love for Christ and Others in Mission Everyday

St. Paul Lutheran School takes pride in its God given responsibility to support the needs of the whole child including their physical, mental, social, emotional, and spiritual health. To this end, the Wellness Committee has completed its assessment of our Wellness Policy.

The committee has determined that the Wellness Policy should be made more available to the public. A copy of the policy is available on the website at [stpaulutica.com](http://stpaulutica.com) and also on the school's Facebook page.

While reviewing the policy, it was determined that basic first aid training would be of benefit to the well being of the students in grades 5-8. Amanda Struble, a certified EMT, will go over the basics with these students this spring.

If you have questions about the Wellness Policy of St. Paul Lutheran School, please contact Mr. Brauer at [school@stpaulutica.com](mailto:school@stpaulutica.com).

In His service,  
Robert Brauer  
Principal and Wellness Coordinator
